Policy

Restrictive Use of 5th Street SW Gate

The 5th Street SW gate is for residents only and not for commercial vehicles. Commercial vehicles are restricted because the width of the 5th Street SW gates does not afford adequate clearance of many trailers and damage to gates as well as the trailers can occur. To protect the gates and personal property, the 5th Street SW entrance shall not be used by residents towing trailers, boats, and recreational vehicles. Motor coaches and other vehicles wider than standard two wheel drive vehicles are also prohibited.
